Motorola Solutions Names ACG Systems Gold Premier Federal Partner of 2010

Annapolis-based communications systems integrator honored as No. 1 federal reseller of Motorola land mobile radio products

SCHAUMBURG, Ill. – August 16, 2011 – Motorola Solutions, Inc. (NYSE: MSI) today named Annapolis, Md.-based **ACG Systems, Inc.** the 2010 Gold Premier Federal Partner of the Year for, among other things, achieving the highest sales among the hundreds of MSI partner companies for the year.

KEY FACTS

- Motorola Solutions recognized ACG Systems for the company's achievements in product certifications, account penetration and sales in the U.S. federal territory for **land mobile radio (LMR)** products.
- A communications systems integrator and trusted leader in converging communications technologies unifying radio, telephone, IP and video, ACG has been instrumental in helping Motorola Solutions maintain its position as a market leader in the development and delivery of reliable and secure radio communications systems, products and services.
- ACG Systems' unique solutions and services support critical operations for transportation, military, security, medical and emergency services customers.
- ACG has deployed, installed and/or integrated thousands of critical communications solutions for **US Federal Government** customers. ACG solutions provide tactical and command/control capabilities for reliable, secure radio communications.

SUPPORTING QUOTES

Paul Mueller, vice president, Motorola Solutions

"At Motorola Solutions, we rely on our business partners to help develop, grow and support our customer relationships. ACG Systems' leadership in the federal markets and ability to expand account presence at key agencies are a testament to the business strategy's success and our partnership with them."

Tim Carney, vice president of Federal Markets, ACG Systems

"We are proud to be recognized by Motorola Solutions for our success in 2010. Five years ago, we committed our company culture, sales and technical resources to grow our Motorola Solutions' business. Our award for Gold sets the stage for future growth, beyond the LMR space, to wireless networking and integrated systems."
